

20th Anniversary The Watch Hill Conservancy

Napatree Investigators: children exploring the variety of ecosystems on Napatree

The Watch Hill Conservancy was incorporated in 1999 to promote the preservation of the natural and built environment of Watch Hill. To conserve, maintain and enhance the scenic, open space, historical values and the character of Watch Hill; and to support the continued vitality and sustainability of the community.

Recent efforts in furtherance of this mission include:

- The continuation of our hugely popular summer children's educational program, *Napatree Investigators*;
- Lanphear LIVE! Our Monday evening summer public speaker series;
- A unifying and motivating Sea Level Rising Symposium with fellow Watch Hill leaders;
- Securing the future of Napatree Point through a Conservation Easement with the Watch Hill Fire District;
- And, of course, the completion of the Bay Street Improvement Project!

Our work would not be possible without the dedication of our volunteer Board of Directors. The following is a list of those who have graciously served The Watch Hill Conservancy.

Thank you for your leadership!

Hon. Dennis Algieri	2016-Present	George W. Markham	2008-2011
