

## 2023/2024 WINTER STORMS

### NAPATREE POINT CONSERVATION AREA

We have compiled a nice repository of videos and images of the storms that hit Napatree in December 2023 and January 2024. They are very dramatic.

In the storm and overwash, video (duration 3:42) [CLICK HERE](#)

Recovery of dune vegetation in washover fans following the storms, video (duration 2:03) [CLICK HERE](#)

Pre- and post-storm. Swipe maps of drone imagery. URI Environmental Data Center

Pre-storm imagery: October 2023

Post-storm imagery: March 2024
