

2025 COMMUNITY PROGRAMMING SPONSORSHIP

Offer your business a unique way to maximize brand awareness while making an impact.

IT'S A WIN -WIN!

MAKE AN IMPACT

Your support enables The Watch Hill Conservancy (WHC) to offer rich and engaging programming **free of charge** to the public, where community members come together to learn about timely topics and engage in important civic conversations. Your sponsorship dollars help defray the costs of hosting these valuable programs and maintaining the historic Chaplin B. Barnes Reading Room.

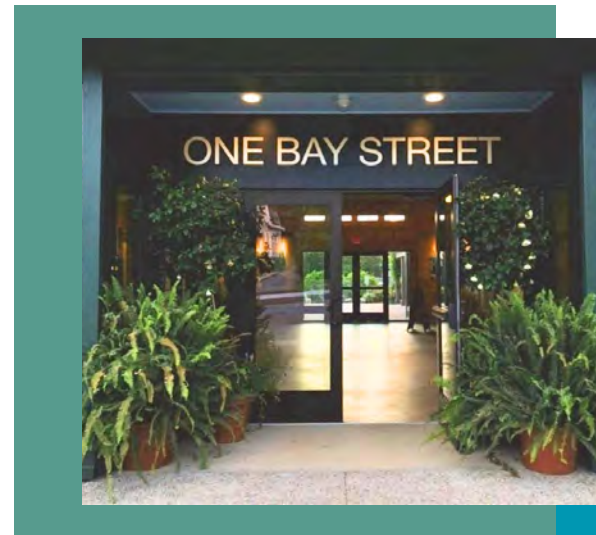

GROW YOUR AUDIENCE & BRAND LOYALTY

Research shows consumers are more likely to choose businesses they feel good about supporting. What better way to increase your brand loyalty than by showing your customers you support the community! WHC programs are well cultivated and delivered in a variety of ways. Becoming a Community Programming Sponsor will grow your reach to new audiences. Our flagship lecture series, Lanphear *LIVE!*, features interesting speakers covering a variety of topics, attracting many local attendees. We also record and share our programming electronically via our YouTube channel - let our online reach help grow yours!
