PERPETUITY with PURPOSE

PRESERVING THE WATCH HILL
CONSERVANCY THROUGH PLANNED
GIVING & ESTATE PLANNING

CREATE A LEGACY

By including The Watch Hill Conservancy in your estate planning, you are protecting the natural and built environments of Watch Hill for the future generations that will benefit from your foresight.

OUR MISSION

To conserve, enhance, and maintain the natural, scenic, and historic values of Watch Hill and Little Narragansett Bay.

PLANNED GIVING OPPORTUNITIES*

BEQUESTS THROUGH A WILL OR TRUST

The most popular and simplest way to make a planned gift is under your Will or Trust. You can provide a specific dollar amount, a percentage, a residual amount, real estate, or tangible property to WHC. This provision can be made through a new Will or Trust or added as a codicil or amendment.

IRA ROLLOVER AND PENSION FUND GIFTS

Often the largest part of one's estate, these funds are some of the best ways to make a charitable gift because of the ease of initiation. Donating these assets to WHC may avoid double taxation under income and estate provisions. WHC can be named as a partial or contingent beneficiary of your retirement or pension plan.

GIFTS OF LIFE INSURANCE

Several options are available for making a charitable gift of insurance policies. WHC can be named as the sole, partial, or contingent beneficiary of a new policy or your existing policy. Also, a paid up policy can be donated to WHC as the owner and sole beneficiary.

DONATE STOCK

By donating appreciated stock to WHC, you can obtain a charitable income tax deduction for the full market value of the stock on your income tax return and may bypass a portion of the capital gains tax as well.

TO ACHIEVE OUR MISSION, WE:

- Conserve, preserve, and expand the scientific understanding of the natural environment of Watch Hill and Little Narragansett Bay.
- Educate the public about the importance of the natural environment and cultural values of Watch Hill. We accomplish this through educational programs for children, nature walks for all ages, and through lectures and presentations that inform and educate all members of the community on current events, issues of social importance, and celebration of achievement in sport, the arts, humanities, and science.
- Maintain and enhance the historic and community character of Watch Hill, with an emphasis on the Village. We promote the preservation of the natural and built environments of Watch Hill by conserving, maintaining, and enhancing the scenic, open space, and historical values and character of Watch Hill. We support the continued vitality, sustainability, and resiliency of our community.
- Conserve and maintain open space and habitat in Watch Hill by managing Watch Hill's premier natural resource, Napatree Point Conservation Area in collaboration with the Watch Hill Fire District, and by acquiring and preserving interests in real property.
