MOBILE MESSAGING TERMS AND CONDITIONS

Last updated: October 25, 2026

The Watch Hill Conservancy ("The Watch Hill Conservancy," "we," "us," or "our") operates a mobile messaging program (the "Program"). These Mobile Messaging Terms and Conditions ("Mobile Messaging Terms") govern your participation in the Program. The Program and our collection and use of personal information are also subject to our Privacy Policy. By enrolling in, signing up for, or otherwise consenting to participate in the Program, you agree to these Mobile Messaging Terms and our Privacy Policy.

Program Description

Through the Program, we may send recurring text messages, including promotional and informational messages about The Watch Hill Conservancy's programs, events, conservation activities, membership opportunities, fundraising activities, volunteer opportunities, weather or schedule updates, and other Conservancy-related news and announcements. Messages may include event reminders, changes or cancellations, ticket or registration information, donation-related information, and other updates relevant to your relationship with the Conservancy.

Messages may be sent using automated technology, including an automated messaging system or automatic telephone dialing system, where permitted by applicable law. Message frequency will vary but is expected not to exceed 5 messages per month. We do not charge you for messages sent through the Program. However, your mobile carrier's standard message and data rates may apply. You are responsible for any such charges.

User Opt-In and Consent

By affirmatively opting in to the Program and providing your mobile phone number for that purpose, you consent to receiving recurring promotional and informational text messages from The Watch Hill Conservancy at the mobile number you provided. Your consent is not a condition of making a purchase, donating, becoming a member, or participating in any Conservancy program or event.

You represent and warrant that the mobile phone number you provide is your own number or that you are authorized to use it and to provide consent to receive messages on that number. If your mobile number changes, or if you are no longer the owner or authorized user of the number, please promptly notify us at barbara@thewatchhillconservancy.org so that we can update our records.

User Opt-Out and Support

You may opt out of the Program at any time. To stop receiving text messages, reply STOP, QUIT, END, REVOKE, OPT OUT, CANCEL, or UNSUBSCRIBE to a message from the Program. You may also contact us at info@thewatchhillconservancy.org or +1-401-315-5399 to request that we stop sending messages.

We will process opt-out requests in accordance with applicable law and our messaging platform's capabilities. You may receive a final confirmation message acknowledging your opt-out request; after that confirmation, no further Program messages should be sent unless you affirmatively opt in again. If the Program uses a sender ID that does not support replies, follow the unsubscribe instructions provided in the message.

To receive help or information about the Program, reply HELP to a Program message or contact us at +1-401-315-5399 or info@thewatchhillconservancy.org. If you wish to rejoin the Program after opting out, you may sign up again through the Conservancy's then-current enrollment process.

Changes to the Program and These Terms

We may modify, suspend, or discontinue the Program, or any feature of the Program, at any time, subject to applicable law. We may also update these Mobile Messaging Terms from time to time. Updated terms will become effective when posted on our website, unless a different effective date is stated. We encourage you to review these terms periodically. Your continued participation in the Program after updated terms become effective constitutes your acceptance of the revised terms.

Disclaimer of Warranty and Liability

The Program is provided on an "as-is" and "as-available" basis. The Program may not be available in all areas or on all mobile carriers and may be affected by network coverage, carrier restrictions, technical problems, or other circumstances outside our control. To the extent permitted by applicable law, The Watch Hill Conservancy and its service providers are not responsible for failed, delayed, misdirected, or undelivered messages or for any loss or damage arising from your use of the Program.
